Vision & Purpose Statement

*Dr. Barbara Williams-Skinner and Dr. T. Dewitt Smith
Co-Conveners, Freedom Sunday Coalition;
Co-Chairs, National African-American Clergy Network*

Background

The Freedom Sunday Coalition is a national non-partisan faith-based civic engagement coalition of African-American faith leaders dedicated to year-round voter registration, education and mobilization on issues of importance to communities of color.

The coalition is comprised of leaders from denominations such as the *(African Methodist Episcopal Church, African Methodist Episcopal Zion Church, Christian Methodist Episcopal Church, Full Gospel Baptist Church Fellowship International, National Baptist Convention, USA, National Baptist Convention of America, Church of God In Christ, Progressive National Baptist Convention and independent organizational partners such as PICO National Network, African-American Ministers Leadership Council, Samuel Dewitt Proctor Conference, Inc. the Global Alliance Interfaith Network and the Global United Fellowship*. These leaders represent a network of over 13 million people of faith across the United States.

In 2014, the coalition mobilized over 3500 churches, touched over 1 million faith voters in the six weeks leading up to the Mid-Term Elections and had an impact in increasing African-American voter turnout by 1-2% in Kentucky and Louisiana.

Vision

The vision of the Freedom Sunday Coalition is to create an empowered, engaged, active voice for justice within our political system that will speak to the needs of African-American communities. We must reclaim our power and mobilize massive turnout of the African-American vote in local and national elections to determine who will best represent a vision of empowered, healthy, whole communities.

2016

In 2016, the Freedom Sunday Coalition will organize **two primary Freedom Sundays – September 25th, 2016 and November 6th, 2016 – when churches around the country will preach and teach about voting rights, voter mobilization, registration, and encourage civic participation.**

In addition, the Freedom Sunday Coalition will organize **Freedom Days Conference Calls each month** to equip church leaders with information they need to mobilize voters.

Sample Voter Engagement Events and Activities

Throughout the year and leading up to Election Day, we encourage you to:

Educate and engage your congregation and community in the 2015-16 Elections. Organize a voter education campaign to educate your members on the impact of mass incarceration and lack of voter protections on our communities.

Educate!

- Partner with criminal justice reform and Voting Rights organizations in our state to identify key legislative reforms in need of advocacy.
- Host Community Forums on the impact of mass incarceration, strengthening relationships between communities and law enforcement and loss of voting rights on our local community.
- Host candidate forums to identify where candidates stand on these issues.
- Host Freedom Sunday Services - Preaching sermons on the moral imperative to act on behalf of redemption and social justice throughout the year.
- Host study circles around the impact of mass incarceration, strengthening relationships between communities and law enforcement and loss of voting rights on your local community.
- Take the #FREEAMERICA pledge, Send the Voting Rights Letter to key legislators and share the Freedom Sunday Voting Guide (Pages 37-40) with your congregation with Early Voting Dates, Times and locations and encourage members to take 5 family and friends to the polls during Early voting periods.

Advocate!

- Meet with our State and local Legislators on this issue as needed.
- Participate in Public Service Announcements and Write Op-Eds as needed.
- Participate in the Freedom Sunday Civic Engagement Training Series in the Fall 2015.

Activate!

- Ensure that every congregation member is registered to vote and aware of their local voting guidelines and rules. Check the website www.blackandbrownpeoplevote.org for details on registration in your state.
- Stay connected to the #FREEAMERICA can by registering at www.letsfreeamerica.org.
- Identify a civic engagement coordinator for your church who will recruit 10 volunteers who can work with the Freedom Sunday Team to register, educate and mobilize voters on these issues. We will be sure to capture engagement activities in the Freedom Sunday Event Reporting Card. Designate a Civic Engagement Team of 10 volunteers who will create a phone tree and call every member of the church to ensure they are registered and turned out to vote. This team could:
 - * Provide transportation to the polls during early voting through Election Day for those in need.
 - * Conduct weekly absentee voter application completion sessions after service and provide postage to mail them to the correct offices.
- Partner with local sororities, fraternities, HBCUs, Civic, Community Organizations and Labor Unions to co-host Freedom Sunday activities.
- Tweet and/or Facebook this link [Freedom Sundays Pledge](#) or website: [Freedom Sunday Coalition](#). using "I'm voting with [@freedomssundayco](#) #FreedomSundays2015 , #FREEAMERICA or share pictures and notes from your events.

Sample Facebook Posts

- We have come a long way since the 1960s, but we still have a long way to go since bigotry still raises its ugly head when we turn on the news. We need to be vigilant to prevent returning to those days when an individual was judged by the color of their skin rather than by their character. **#FreedomSundays2016**
- We can look to our sacred texts and beliefs about the human condition, the need to help the poor, forgiveness, grace, and mercy to assess and improve how the criminal justice system is operating in every community. If we believe that all human beings are created in the image of God, and as a result, have inherent dignity. If we believe in the importance of forgiveness and mercy that people can be redeemed by God’s grace and most importantly are called to stand against poverty and injustice. **#FreedomSundays2016** , **#FREEAMERICA**
- If we are to create a more humane, just system of rehabilitation and redirect resources to provide necessary services to the poor, we must support policy reforms at the federal, state, and local levels. While each state and community is different and has unique challenges, in reality, every city and state struggles with the same problems: too many arrests, prosecutions, and prison sentences, without enough services, assistance, or healing. **#FreedomSundays2016** , **#FREEAMERICA**
- This is outrageous! From 1980 to 2008, the number of people incarcerated in America quadrupled- from roughly 500,000 to 2.3 million people. Today, the US is 5% of the World population and has 25% of world prisoners. Combining the number of people in prison and jail with those under parole or probation supervision, 1 in every 31 adults, or 3.2 percent of the population is under some form of correctional control. We must **#EndMassIncarceration** by voting for leaders who will reverse this trend! **#FreedomSundays2016** , **#FREEAMERICA**

Sample Pulpit Announcement

The prophet Amos reminds us to “let justice roll down like waters and righteousness like an ever-flowing stream.” (Amos 5:24)

This year, we will be participating with other churches across the nation in Freedom Sunday Services in preparation for the upcoming elections. We, as Black Americans, simply cannot afford to stay home.

- Without voting, we had few Black elected officials.
- With voting, we now have over 10,000 Black elected officials and the first African American President in the White House.
- Without voting, hate groups fought to keep African Americans from voting.
- With voting, we have had 2 Black U.S. Attorney Generals fighting for our right to vote.
- With voting we have the right to decide whether we have jobs, health care, student financial aid, and other services our community needs.

We ask all members to look out for instructions from our civic engagement coordinator (name/phone/email) as we prepare for one of the most important dates this year – upcoming elections (add date of next election)

I ask each of you to commit to encouraging 5 family members, friends, and co-workers to vote on Election Day and make sure they get to the polls.

If you need to register to vote, or update your registration information, you can do so online at www.vote411.org.

Those who oppresses the poor insult their Maker, but helping the poor honors him. NLT

Proverbs 31:9

Speak up and judge fairly; defend the rights of the poor and needy. NIV

He has shown you, O mortal, what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God. NIV

NIV

1 John 3:16-18
